

INDEPENDENT AUDITORS'S REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF
THE ANANDA-BAG TEA COMPANY LIMITED.

1. We have reviewed the accompanying statement of Unaudited Financial Results of **THE ANANDA-BAG TEA COMPANY LIMITED** ("the Company") for the quarter ended 30th June 2020 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind As 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. We draw your attention to the following notes :
 - (a) Note 2 of the Statement, regarding non-provisioning of income tax liability (current and deferred) during the quarter ended 30th June 2020, for the reasons stated in the said note which is not in accordance with Indian Accounting Standard 12 "Income Taxes" ("Ind AS 12") and Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") as prescribed under Section 133 of the Companies Act, 2013. We are unable to determine the impact of non-recognition of tax expense on the Statement.

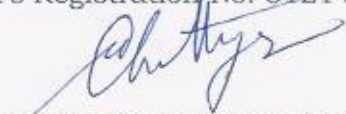

- (b) Note 3 of the Statement, regarding valuation of stock of tea, at lower of cost and net realizable value, wherein cost considered is based on estimated expenditure and estimated production for the year ended March 31, 2021, instead of actual cost, which is not in accordance with Indian Accounting Standard 2 "Inventories" ("Ind AS 2") as prescribed under Section 133 of the Companies Act, 2013. The impact of such method of valuation on the Statement for the quarter ended 30th June 2020 has not been determined by the Company and accordingly not ascertainable.
- (c) Note 4 of the Statement regarding non-provisioning of gratuity liability during the quarter ended 30th June 2020 for the reasons stated in the said note which is not in accordance with Indian Accounting Standard 19 "Employee Benefits" ("Ind AS 19") as prescribed under section 133 of the Companies Act 2013. The impact of such non-provision has not been ascertained by the Company.

5. Based on our review conducted as stated above, except for the possible effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI, (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

1. The "Statement of Unaudited Financial Results" the "Statement" does not include the results for the quarter ended 31st March 2020 in view of accounts for the year ended 31st March 2020 have not yet been approved on account of pending certain adjustments due to COVID19, which are now in the process of completion. Accordingly, the figures in the "Statement", which are the balancing figures between the audited figures in respect of full financial year 31st March 2020 and the reviewed figures year to date figures up to 31st December 2019, have not been provided. Similarly, in view of reasons explained above, the last audited results for the year ended 31st March 2020 have not been provided instead last audited results for the year ended 31st March 2019 have been given.
2. The Company is engaged in the business of cultivation, manufacture and sale of tea which is seasonal in nature and the performance can be impacted by weather conditions and cropping pattern and as such the foregoing results should not be construed as being representative of the likely result for the year ending 31st March 2021, Hence, provision for Income Tax and Deferred Tax has not been considered for the same which is computed and provided in the annual accounts for the year ended 31st March, 2021.
3. Stock of tea on 30th June 2020 is valued at lower of cost and net realisable value. Cost is estimated cost of production and expenditure for the year ending 31st March, 2021. Production of tea not being uniform throughout the year, stock valuation would be unrealistic if it is based on actual expenditure and production upto 30th June 2020. The aforesaid method of stock valuation (based on estimated production and expenditure for the full year) is consistent with the accounting policy followed by the company for the purpose of quarterly and nine months ended 31st Dec., 2019 results in the past.
4. The Company is consistently accounting for Gratuity for its employees in its annual accounts to the extent of payments made to the Company's gratuity fund. During this quarter no payments have been made to the said fund.
5. The company's own crop for the current quarter ended June 30th 2020 was down by approx 50% as compared to corresponding previous quarter ended 30th June 2019. The overall shortfall of tea in the market leads to substantial upside in tea prices leading to overall realisation going up substantially over same period of previous year.
6. The Company has considered the possible effects of COVID 19 on the carrying amounts of inventories using reasonably available information, estimates and judgement and has determined that these balances do not require any material adjustments in their carrying values. The impact of pandemic COVID 19 may be different from the estimates made as at the date of approval of these financial results, which will be closely monitored by the company.
7. The Company has suffered substantial losses on account of "Amphan" cyclone on 20th May 2020 for which claim has been lodged with the insurance company. This loss has not been accounted for. This will be recognised on receipt of the claim.
8. The Company operates in only one Segment viz., Tea.
9. The above unaudited results have been taken on record by the Board at its meeting held on 25th September 2020.
10. The Auditors have carried out a Limited review for the quarter ended 30th June 2020.
